Agenda	Meeting Minutes Discussion/Outcomes
Meeting Called to Order, Roll Call : Tom Lamar, Committee Chair	Tom Lamar called the conference call meeting to order.
Approval of last meeting minutes (Action Item)	
Topics to Discuss: <ul style="list-style-type: none"> Rural Crisis Response project updates and planning for contract negotiations. 	<p>Tom gave an overview of the conversation with Ross Edmonds via conference call 7-20-18</p> <p>Funding: We can't do anything until we have a signed contract, and Ross now wants a detailed flow-chart for a client going through our process. Tom shared the maximum start-up funds to be set at \$200,000. Carol submitted to the committee an updated budget showing this funding level.</p> <p>Teresa relayed that Boise office has concerns with our model and billing. Ross said we need to look at a reconciliation model for re-payment, not bill the clients. Concern was voiced about the patient entering through the ER, and the hospital will incur costs prior to the BH crisis determination, and the hospitals will need to bill for that service.</p> <p>Continued discussion on the intent of our Regional Crisis Response model as compared to the Crisis Center model. Our intent was that our model would be a pilot project, and not expected to fit into the requirements of the other Crisis Centers.</p> <p>Teresa shared the list of "Hallmark" expectations for the Crisis Centers. Discussion held on whether our model could accomplish all of these hallmarks? In order to move forward, we need to develop a flow chart showing our process that covers all the requirements of a crisis center. We then will present to Ross for his approval before any contract language will be developed.</p>

Follow-up:
Beth agreed to begin the write up of a flow chart that explains the process from the time a client enters the ER, based on our model for Rural Crisis Response.

We will have another sub-committee conference call on Monday July 30 at 4:00 pm to discuss the flow chart and finalize it for submittal to Ross.

Carol will develop agenda for July 30, 2018 conference call and post it per open meeting law.
