Topics to Discuss: <ol style="list-style-type: none"> 1) Tele behavioral health training/update and identification of agencies needed to be contacted locally and in Oregon/Wash. 2) Prospect of listing of Clinicians providing tele services within Idaho 3) Types of technical supports that may be helpful with agencies starting up to provide tele services 4) Consideration of local sites that may be able to host clients for these services in a confidential setting 5) Open discussion 	<p>The presenter has agreed to do this training; Dates are set for Jan. 24 and March 20 at Gritman Hospital. Discussed needing to come up w agencies and clinicians to be contacted out of State</p> <p>The Idaho Counseling Association agrees with this idea and is exploring how to develop and house the listings. Melanie will review Optum's website to see if some are listed there.</p> <p>Continue to explore this item. Much of the needed info may be included as part of the training such as HIPPA concerns and platforms that may be used.</p> <p>Discussed the use of libraries for hosting tele health sites for clients. There may be grant opportunities to help develop spaces in the libraries that could facilitate confidential spaces. Need to continue to ask H&W how they are involved with the Gov.'s Task force on tele behavioral health and promoting its use.</p>
