	The committee members will send Lisa housing resources for the various counties. Lisa will add these to a spreadsheet in order to have a better visual for housing resources.
	The committee recognized that we don't have contacts for housing resources from ID County and Lewis County. Cliff will be attending the Human Needs meeting this week in Grangeville and will see if he can find someone who would be willing to either attend these meetings or report updates.
	Cliff reported that Sojourners has \$4,000-\$5,000 in funding for homeless prevention services.
	Steve provided an overview of the Point In Time Count surveying to be held January 24-29 in the 5 counties. He has surveys and gift cards available for surveyors to hand out. Contact Steve at 208-798-3349 if you need surveys and gift cards or have questions.
