We are into the 4<sup>th</sup> year in planning UGM to come into the area. UGM has a conditional use permit and a builder lined up and into the Capital Fundraising campaign. So far ¼ of the funds have been raised. Possibilities for additional funds may be from the local churches and community members. The public campaign will begin at the first of the year. Tap into the LC Advisory committee as to what UGM will need. UGM will approach churches for presentations. Half of UGM will be for women and children.
- Discussion regarding Lewiston warming shelter – Michelle King

Councilor Tousley reported that the City is willing to open up the Community Center for a temporary warming shelter. Michelle asked about the 2<sup>nd</sup> floor of the Library could be considered. It's ADA compliant and is a manageable space.

Michelle reported that Family Promise has room for 2 families. Loren reported that he has an unfinished basement to open up for emergency housing and asked if anyone was aware of funds to finish the space. Councilor Tousley will look into space that the city may be able to allow for temporary space for a warming shelter. Would the Shopco parking lot work?

Nothing reported.
